PROPOSED INCREASE STORAGE TO BRIGHT WATER SYSTEM
MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT (CLASS EA)

Notice of Study Commencement

Oxford County has initiated a study to determine the preferred means of providing water storage within the Bright Water System to allow for supplemental water supply during high demand situations.

The project is following the planning process established for Schedule B activities under the Municipal Class Environmental Assessment (Class EA) document. Schedule B projects are approved subject to review of environmental impacts, and after the public, stakeholders and review agencies are advised of these projects.

If you would like more information or would like to be placed on the mailing list for this project, please contact:

Melissa Abercrombie, P.Eng., Project Engineer
Oxford County, P O Box 1614, Woodstock, ON   N4S 7Y3
