

# New water and wastewater rates for 2020

Starting on **January 1, 2020**, new rates for water and wastewater come into effect. Rates for 2017-2020 were set in 2017 following public consultation and will vary depending on where you live in Oxford County.

To learn more about the rates for your community, or to use the online water/wastewater calculator to estimate your monthly bill, visit:
