# MY SECOND UNIT

## Program Funding Guide

### HIGHLIGHTS

- The My Second Unit program helps homeowners plan and finance a secondary, self-contained residential unit (e.g., an apartment) in their home or an accessory building on the property.
- Homeowners may receive up to \$30,000, by way of a forgivable loan, to construct a secondary affordable rental unit. This means homeowners who meet the conditions of the program will not be required to repay the loan.
- The maximum rent for an affordable rental unit under this stream is 100% of the Average Market Rent (AMR), as approved by the Ministry of Municipal Affairs and Housing. The maximum rent for a one-bedroom in Oxford County is \$1,186 in 2024.
- Funding is secured by way of a charge on title, secondary to primary financing, for the 10-year term. Funding is interest-free and forgivable after 10 years if there are no “Events of Default” (homeowner does not meet conditions of the agreement) during the 10-year term.
- Annual program funding is limited and will be available on a first-come-first-served basis. If funding for the current year has been depleted, eligible households will be placed on a waitlist for the following year.

## INTRODUCTION

Oxford County is offering a forgivable loan of up to \$30,000 to support homeowners proposing to create a secondary residential unit on their property. The loan is interest-free and forgivable after 10 years, provided there has been no default.

The forgivable loan will be registered on title until the end of the term.

## WHAT IS A SECOND UNIT?
