Discuss who from AAC wants to join the building audit and who wants to stay with the rest of the attendees during the audit.

Some considerations for Roundtable discussion:

- Who/all will be taking notes of questions about a particular topic that can be utilized to start the conversation with the attendees once the training is done?
- What are the challenges, and do they have any success stories? Or discuss the idea of having flip charts and asking the attendees to jot down topics they feel need attention and discussion.
- One topic to discuss with the attendees is how to collaborate other than having these annual meetings, e.g., the Accessibility Flag for National Accessibility Week could be a joint venture between Oxford County and Area Municipalities(if Ben is on board).
- Discussion on recommendations for 2025 (education and awareness).
- Printouts of MYAPlan & Oxford County Accessibility Assessment Checklist for attendees.
- Developing a set of Ground Rules for the attendees.
- .
- Plan with the sub-committee about the Joint Accessibility Meeting in 2024.
- 3. Next meeting- timing and date.
